

Wilkinson Builders Hosts Antique Roadshow at Harrogate

Wilkinson Builders invites you to bring your “trash” or “treasure” to the Antique Roadshow at Club Harrogate on Saturday and Sunday, June 9 & 10. Verbal appraisals will be given between 9-5 on Saturday, and 10-5 on Sunday, by nationally-noted antiques expert Harry Rinker, the host of the syndicated radio show “Whatcha Got?” Additionally, on Sunday morning from 8-10 am, the radio show will be broadcast live from the community.

Rinker has appeared on Oprah, Martha Stewart Living, HGTV, the Today Show, and Good Morning America, and is the author of numerous books. Selected by Wilkinson Builders for his incredible breadth of knowledge, Rinker will deliver a fast-paced and informative show, offering unique glimpses into the history of an object, as he provides useful information about its value.

But regardless of the value of the objects brought in for appraisal, the real winners of the weekend will be the children helped by “Kids with Confidence.” This non-profit organization provides needed funding for children in Delaware, Pennsylvania, Maryland and New Jersey who require surgery for facial deformities. Without the assistance of “Kids with Confidence,” these children might face an uncertain future, oftentimes hindered by their physical differences.

Wilkinson Builders has always been honored to be able to give back to the community, hosting various philanthropic events throughout the year. Every dollar raised in ticket sales for the Antique Roadshow will go directly to “Kids with Confidence.” Tickets are \$6 per appraisal (or 3 for \$15) in advance. Tickets not sold in advance are available at the door for \$8 per appraisal (or 3 for \$20), although interested parties are encouraged to purchase in advance as tickets are selling quickly. To reserve your tickets, call 610-268-1633 Monday through Friday. Tickets are limited to three per person, but everyone is welcome at this event...even those not needing an appraisal. Interested in seeing what others have unearthed? Come just to watch and learn!

Throughout both days, Wilkinson Builders will be providing light refreshments and offering tours of the Model Homes in Harrogate, the award-winning 55+ community just off of Route 7 near the PA/DE line. With its state-of-the-art (and also award-winning) clubhouse, phenomenal floorplans and amenities, and unique village-like setting, Harrogate has proven to be the carefree destination for savvy homebuyers over 55.
