

PEOPLE HELPING PEOPLE GOLF TOURNAMENT

Wilkinson Builders was proud to be an event sponsor of The 5th Annual People Helping People Golf Tournament on June 12 (along with Jan Patrick & Bill Ward), an event which raised money to benefit The Ministry of Caring, Inc. A check for over \$50,000 was presented to The Ministry of Caring. All funds raised will be used to renovate the Mary Mother of Hope House I, a shelter for homeless women and children.

Over 140 golfers competed in the tournament, held at Hartefeld National Golf Club. Skill prizes were awarded in four categories for men and women, and team prizes were awarded to the top eight teams. The evening concluded with a silent auction.

The Ministry of Caring is a non-profit ecumenical organization that helps poor, homeless and disadvantaged people in and around Wilmington, Delaware by providing food, shelter, job training and placement, child care, basic medical and dental care, a residence for people living with AIDS, clothing, household goods...and more.

Wilkinson Builders wishes to express appreciation for the support from many vendors and other business groups whose generous sponsorships helped to make this such a successful event for such a worthwhile cause.
