Wilkinson Builders to Break Ground on Spring Meadow Clubhouse

Smyrna, DE - March 20, 2007 Wilkinson Builders will be celebrating the ground breaking of the Spring Meadow Clubhouse on Saturday and Sunday, March 31 and April 1, from 1-4 pm each day. Charles Wilkinson, president of Wilkinson Builders, will lead the ground breaking ceremony at 1:30 on Saturday, March 31. Following the ceremony, there will be opportunities to tour the Model Home Village, meet the Wilkinson Builders team, and enjoy refreshments. Spring Meadow was recently awarded eight Regal Awards by the Home Builders Association of Delaware, including two different awards for “Active Adult Community of the Year.”

The Clubhouse at Spring Meadow will be the focal point of this 55+ lifestyle community, which offers homeowners the opportunity to own their own homesite, yet not deal with routine landscaping maintenance, snow removal, or other chores that burden their free time.

Spring Meadow offers many recreational activities, including an outdoor pool, putting green, bocce, fitness center, billiards, and much more. Homes are priced from the mid-\$200's. For a limited time, buyers can choose from courtyard green homesites, as well as homesites with wooded backdrops or near open space.

Wilkinson Builders is currently building more than a dozen new home communities, ranging in price from the low-\$200's to over \$1.5 million. Models and Information Centers are open daily from 12-5.
